Consumption of energy for lighting

626. SHRI ATAL BIHARI VAJPAYEE: SHRI PRAMOD MAHAJAN; SHRI KRISHAN LAL SHARMA; SHRI RAM NARESH YADAV:

Will the Minister of ENERGY be pleased to state:

(a) whether the energy consumed in lndia for lighting is about 17. 5 per cent of the total power generated while it is only about 8 per cent in the advanced countries;

(b) whether it is a fact that the Chairman of the DGTD panel meeting for lighting industry as reported in the Hindustan Times of the 9th April, 1990 has suggested that a saving of about Rs. 9, 000 crores could be made by simple energy saving techniques like use of flourescent bulbs and sodium vapour lamps instead of the traditional incandescent bulbs which could bring down the existing energy consumption of 17. 5 per cent to 10 per cent; and

(c) if so, what is the reaction of Go^ vernment thereto and what follow-up ac tion has been taken in this regard?

THE MINISTER OF ENERGY WITH ADDITIONAL CHARGE OF THE MINISTRY OF CIVIL AVIATION (SHRI ARIF MOHD. KHAN): (a) There is no separate metering for lighting load. Therefore, the Government does not have the niformation regarding percentage of energy consumed in India for heating. Similar information n respect of advanced countries are also not available with the Government.

(b) The Government has not received any such suggestions from the Chairman of the DGTD panel for lighting industry. However, it has been well-established that there can be a substantial saving in energy by using energy efficient lamps such as flourescent lamps, soduim vapour lamps etc., in place of incandescent bulbs.

(c) The Government is promoting the use of energy efficient lamps by launching; a mass awareness campaigns through audio-visual media, seminars, workshops, meetings etc., etc.

Manufacturing of salt in different States

627. SHRI JITENDRABHAI LABH-SHANKER BHATT; Will the Minister of INDUSTRY be pleased to state;

(a) how much salt has been manufac tured in different States during the last five years in the country;

(b) how much salt cess has been collected during the last five years; State, wise; and

(c) whether the salt cess has to be utilised for the welfare of the labourers employed in the salt industry if so, how much amount has been spent on this ac count during the last five years in diffe rent States?

THE MINISTER OF INDUSTRY (SHRI AJIT SINGH): (a) State-wise details indicating production of salt during the last five years are given in the Annexure *(See* Appendix CLIV Annexure No. 37).

(b) Salt producing States/Union Terri. tories in the country have been divided into five regions for administrative purposes. Data regarding collection of salt cess etc. is maintained region-wise. Re- gion-wise details of salt cess collected during the last five years are given in the Annexure *(See* Appendix CLTV, Annexure No. 38).

(c) Welfare of labourers employed in the salt industry is one of the objectives

covered under the code of principles governing utilisation of salt cess. Region-Wise details indicating total expenditure out of the salt cess on development and labour welfare activities during the last five years are given in the Annexure *(See* Appendix CLIV, Annexure No. 39).

Collection of blood for T-3$_S$ T-4 test by medical centre in Parliament House Annexe

628. SHRIMATI BIJOYA CHAKRAVARTY: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state;

(a) what is the number of patients from whom blood was collected by the Medical Centre in the Parliament House Annexe for T-3, T-4 blood tests during the period from 1st January, 1990 to 30th April, 1990;

(b) what is the number of patients to whom the result of such tests were not given during that period;

(c) whether it is a fact that collection of blood for T-3, T-4 test$_s$ has been suspended; and

(d) if so, when the Centre will resume collecting blood for such tests?

THE MINISTER OF ENERGY WITH ADDITIONAL CHARGE OF THB MINISTRY OF CIVIL AVIATION (SHRI ARIF MOHD. KHAN): (a) Blood was collected from Seven patients for T-3, T-4 blood test in Medical Centre in the Parliament House Annexe during the period from 1st January, 1990 to 30th April, 1990;

(b) Test reports were not given to any of the seven patients.

(c) and (d) Blood for T-3 & T-4 test is not being collected in Medical Centre of Parliament House Annexe as the Pathological Laboratory of Dr. R. M. L. Hospital which is testing the blood, has stopped accepting the blood samples from the Medical Centre in the Parliament House Annexe for want of reagents. Th$_e$ Hospital will start accepting blood for this test shortly.

Opening of cash collection centres of DESU on Saturdays and Sundays

629. SHRI MOHD. KHALEELUR RAHMAN; Will the Minister of ENERGY be pleased to state:

(a) whether the Delhi Electric Supply Undertaking has of late decided to open some of its cash collection centres on Saturdays and Sundays to facilitate payment of bills;

(b) if so, what are the reasons for not keeping open the R. K. Puram cash collection centres on these days to facilitate thousands of Government servants living in R. K. Puram and other nearby colonies; and

(c) whether Government would direct the DESU to open this Centre also on these days and if not, what are the reasons therefor?

THE MINISTER OF ENERGY WITH ADDITIONAL CHARGE OF THE MINISTRY OF CIVIL AVIATION (SHRI ARIF MOHD. KHAN); (a) to (c) According to DESU a particular cash office may be opened with prior notice in the press on some Saturday/Sunday to cope with the anticipated rush of consumers with reference to the due date for payment of Electricity Bills. R. K. Puram District is also covered by this practice.

Transfer of electricity connection and security by D. E. S. U.

630. SHRI MOHD. KHALEELUR RAHMAN; Will the Minister of ENERGY be pleased to state:

(a) whether Government are aware of the dilatory and harassing tactics indulged
